

2016-2017 Preliminary Band Performance Calendar

***This is a preliminary partial list of our performances for the school year. Please do not plan events in conflict with these performance dates, as the success of the group greatly depends upon 100% attendance by all academically eligible band members. In addition, all performances are recorded as test grades for each student. A full preliminary calendar containing all rehearsals, auditions, performances, fundraisers, and other events is posted within our online band program management software, Charms Office Assistant. Instructions for how to login to Charms and easily sync this online calendar with your smartphone are posted to the home page of our website, www.summitband.com. A pdf copy of the full preliminary calendar is also posted to that same website.**
