

Partner with Summit Band

The Summit Band Boosters would like to offer you the opportunity to partner with the Summit High School Band through a charitable sponsorship. The mission of the Band Booster organization is to support the Summit High School Band program by assisting the directors, students and administration in developing an outstanding band program.

Who We Are:

The Mansfield Summit Jaguar Marching Band is comprised of 250 student-musicians who are backed by hundreds of parents and community members who support them via the Summit Band Boosters, a non-profit organization. Both the marching and symphonic bands are currently recognized for as some of the top performing ensembles, not only in the state of Texas, but from around the world.

The band's Wind Symphony is one of just five high school bands chosen from entries around the world to perform at the prestigious Midwest Clinic in Chicago in December. The Summit Jaguar Marching Band consistently placed in the top five at contests during its 2016 marching season. Individually, the students represent the best of Mansfield ISD – sending the largest contingent of musicians to State in 2017.

Where the Money Goes:

Your sponsorship of the Summit Band program for the 2017-2018 school year allows us to hire supplemental music instruction for our students, purchase equipment and supplies not provided by the school district, provide college scholarships for our qualifying graduating seniors, and to cover payments for trips and private lessons some students might otherwise not be able to afford.

What You Get in Return:

When members of our community see your logo on our t-shirts, on our website and other social media platforms and hear your company's name broadcast at half-time during football games and competitions, you will be regarded as FRIEND of the best our public schools have to offer. Hundreds of people visit our organization's website every day where your logo will be prominently displayed, and thousands of people will see your logo on the backs of our 250 students at school, football games and at contests throughout the north Texas area. And that's just a fraction of the exposure you'll enjoy when you partner with Summit Band Boosters.

Your gift is tax deductible!

Partnership Benefits	First Chair \$100	Section Leader \$250	Drum Major \$500	Director \$1000
