What's new in Summit Band Boosters

News

Summit earned a well deserved "W" on Newsom field last week against the other feline team, Mansfield Tigers. Way to go! It's time again to put on your Summit blue and join the fans for a great game and *amazing* half-time show tomorrow night. We are the away team this week (apologies for this mistake last week) where the game will take place at the Grand Prairie Gopher Bowl at 7:30pm. Our giant Black Rose will be incorporated into the show for the first time tomorrow. You DON'T WANT TO MISS IT!! Hope to see you there.

Midlothian Contest: Our first contest of the season is this Sat at the Midlothian Multi-Purpose Stadium, [1800 S. 14th Street, Midlothian, TX 76065](http://www.summitband.org). Our preliminary performance is at 4:15pm SHARP! Unless there is a weather delay, these contests run a tight schedule and you won't want to be late. The students LOVE to hear loud cheers and see signs waving as they take the field for their performance. Wear your show shirt if you have one or anything Summit Blue. Along with your presence, we are still needing volunteers for bus chaperones, pit crew and food donations. Boosters will provide the students with a hearty snack once we arrive at the stadium, and then a fajita dinner after our preliminary performance. There are items still needed so be sure to visit www.summitband.org and look for Signups under Volunteer Opportunities. It will be a long day for our students and we want to be sure we keep them hydrated and fed. Students are also encouraged to bring healthy snacks on the bus as they will not be allowed to visit the concessions during the contest.

Craft Fest Committee: Be on the look out for a planning meeting for Craft Fest which will take place on the Summit campus on Sat Nov 10 from 9am to 4pm. It takes a village to put this fun event together. We will be looking for help with advertising (flying cars at football games and other craft fairs in the area), booth set up/take down, food donations and lots of volunteers for concessions, parking lot, raffle table, ticket sales and hospitality hostesses to our vendors. I promise you will have time to shop too. So, start creating your Christmas lists and be prepared to leave with lots of goodies to wrap!

Volunteer Opportunities

To view all Volunteer Sign-ups, go to www.summitband.com
