What's new in Summit Band Boosters

News

WELCOME to the newest members of the Summit Band and their parents! Being a band parent automatically makes you a Band Booster Member....no membership fee required! Music Notes is a weekly newsletter that helps keep you informed. Booster meetings are generally held the second Monday of the month at 7pm in the bandhall and are a great way to find areas to be involved and get to know other band parents. We are a FUN group!!

"THANK YOU" to all of you who helped out for the Uniform Fitting!!! Without your help, it would not have been successful!! We are off to a great start for this new school year!!

Meet the Band Night is just one week away where we the parents get to see and hear what our awesome students have been learning these past few weeks. This event will be held at the JV Football stadium behind the high school. Bleacher seating is limited, so plan to come early or bring a lawn chair to guarantee a seat. All friends and family members are invited to this free event. There will be sign-ups seeking help with various committee through out the year. If you didn't have the chance to order a Photo Button of your marcher/guard member, you may still purchase one for \$10. We will have more spirit wear available for sale as well.

*****IMPORTANT INFORMATION FOR VOLUNTEERS*****

If you are planning to help out this year as a band volunteer, you will need to have your Driver's License run through the school's Raptor system. Everyone will need to have this done at Summit, they do not transfer from year to year, nor school to school. You will need to have this done as soon as possible, beginning the first week of school. If you are a school district employee, please let us know as your District ID works for this. You can do this at the school front office, and please tell them that you are going to be a band volunteer. The office will send us a list of who has been cleared. You will also need to fill out the MISD District volunteer form. I have listed it below, please click and fill out. If you have any questions regarding these systems, please don't hesitate to call/text Maria York at (817) 455-6331 or Toni Breese at (817) 907-3240. You may also email us at SummitBand1VP@gmail.com. We appreciate all of our volunteers!!
